AFTER-HOURS PROJECT RELATED EMERGENCY PROTOCOL:

Below is the contact information you will need for any project related emergencies.

In the event of a construction related emergency, please do the following:

1. **Call our after-hours emergency line at 503.546.2600.**
 - **Relay your name, phone number, project address and nature of your emergency to the dispatch operator. Please include any other additional information that may be requested.**
2. Lori Anderson will then be paged and you will promptly receive a returned phone call.

Please Note: If you have not received a response within 15 minutes, please call Lori on her cell phone (listed below). If you still haven't heard from her, please call the Superintendent.

The Superintendent should be called **ONLY** in after-hours project emergencies when the Liaison cannot be reached.
